EDDA

The board may allow for special uses of district buses using guidelines established in this policy. Transportation fees may be charged to offset totally or in part the cost of approved special trips. Revenues received by the board under the provisions of this policy shall not be considered a reduction of operating expenses of the school district. Groups allowed use of buses under this policy are responsible for the care and cleaning of the buses, and for the supervision of passengers. The types of groups allowed, and the restrictions placed on the activities these groups may sponsor while using district transportation, shall be approved by the superintendent and filed with the clerk. Groups allowed use of district buses may not travel outside Kansas.

Special uses will not be approved without insurance coverage and use of district drivers.
