**JQ**

All programs for exceptional students shall be managed in accordance with the local plans for exceptional students, the policy and rules of the local board, and the rules and regulations of the state board of education.

**Concurrent Enrollment**

A gifted child with a gifted IEP in grades 9 through 12 who has demonstrated the ability to benefit from participation in the regular curricula of eligible postsecondary education institutions, may apply to the principal for permission to enroll at an eligible postsecondary education institution. Inclusion of the requested post-secondary class enrollment must be included on the students IEP.
