

- Parental Permission for Medication Form, Appendix-B1

Any parent wishing to have student medicine of any type stored and/or taken at school must make an official and specific request to do so on [Appendix-B1](#) which is electronically available. BOE Policy [JGFGB](#) pertains to Supervision of Student Medications. [Appendix-B1](#) is the form that must be completed and on file for any student medication to be stored and/or used while at school. Medicines brought to school that are not listed on the appropriate [B1](#) Form nor do not follow Policy [JGFGB](#) exactly will be disposed of by school personnel.
